

Learning Journey

YEAR

11

Resource management

Virtual fieldwork

Development Gap

Different ecosystems

Environmental challenges of the planet

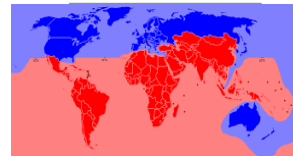

River management

Local project - Liverpool

Natural resources

Technology

Water & water sustainability

Tourism / globalisation

YEAR 10

Mexico

India

Coastal / glacial Environment & oceans

Global issues - climate change / energy / inequality

Global issues - migration / population / development

Extreme weather / plate boundaries

YEAR 9

Land use / regeneration

Transport & Industry

Sustainability

Agriculture / settlement

Rainforests

Weather systems & patterns

YEAR 8

Environmental hazards

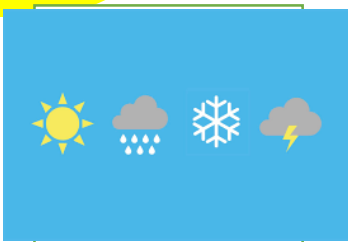

Changing rural and urban environments

Polar regions

Ecosystems

Environment, atmosphere & Climate

Map skills

YEAR 7

welcome

' History is the subject that holds the key to all our futures, definitely not science ' MICHAEL PALIN
