

KS3 Science Curriculum Map 2021 – 2022

Year group	Autumn 1 Biology	Autumn 2 Biology	Spring 1 Chemistry	Spring 2 Chemistry	Summer 1 Physics	Summer 2 Physics
7	Cells Structure and function of body systems	Human Reproduction Adaption	Particles and their behaviour Separation techniques	Metals and acids Acids and alkalis	Forces Speed	Electricity Light Sound
8	Ecosystem processes Plant reproduction	Structure and function of body systems 2 Health and lifestyle	The periodic table Elements, atoms and compounds	Reactions The Earth	Energy Space	Turning points in Physics
9	Inheritance and evolution New Technology	Ecosystem processes Turning points in Biology	Reactions 2	New technology Turning points in Chemistry	Pressure Magnetism Electromagnets	Detection using waves
