WEST KIRBY SCHOOL & COLLEGE

Changing Children's Lives

RESIDENTIAL
STRATEGIC DEVELOPMENT PLAN
2023-24

RESIDENT FRIENDLY VERSION

WHAT IS A DEVELOPMENT PLAN?

A Development Plan is an action plan which we write together to share the ways in which we want to improve.

LAST YEAR WE ASKED YOU WHAT YOU THINK WE SHOULD IMPROVE....

YOU SAID...

WE DID...

Last year you said:	Last year we
Get a trampoline	Got a trampoline
Help new trustees to know what they can do to support staff at Greasby in doing a great job.	• Invited our Trustees to visit ore often • Provided more information to our Trustees
Improve the way we help and support new young people who join us.	Tried out our new induction process for residents. We've had good feedback
Continue to make sure we are doing everything we need to against the National Minimum Standards to be a brilliant setting.	We have been judged as a 'Good' provision by Ofsted
Make sure the Trustees of West Kirby School & College are helping Greasby be as effective as possible	Offered more training and support

FOR 2023-24 WE AIM TO..

FOR 2023-24 OUR AREAS OF DEVELOPMENT ARE:

To make sure the Residential Department maintains at least a judgement of good or better in the next Ofsted inspection

To set up opportunities for parental involvement on an annual basis

To maintain a consistently strong focus on Residential Care by the Board of Trustees

Improve your progress and outcomes through improved assessment

To improve and develop outstanding opportunities for you
